Dear Dr Panagiotis E. Dimitropoulos

## ICAEW CREDIT FOR PRIOR LEARNING (CPL)

Thank you for your CPL application in respect of the BSc Accounting & Finance programme. I am very pleased to advise you that credit has been awarded for the following ACA exams:

Assurance,  
Business, Technology and Finance,  
Financial Management,  
Management Information, and  
Principles of Taxation

Details of the basis of the credit awards are attached and to apply for credit students will need to have achieved a minimum grade of GPA 6.0 in each of the required modules. For Business, Technology & Finance it has been decided to award credit based on an overall degree award of GPA 6.0, as generally the learning outcomes of this topic are incorporated into modules throughout the programme.

Credit will be awarded from 2024 and is subject to compliance with the standard conditions of approval. The programme is listed on the CPL Directory, please check that the listing is correct. We will be in touch with you each year to ask whether there have been any material changes to the programme which would impact upon the credit arrangements.

As always if you have any questions or need clarification of any point concerning CPL please do not hesitate to contact me.

Yours sincerely
