2005-2008: Adjunct Lecturer in University of Patras, Dept. of Business Administration, and Technological Education Institutes of Patras, and Kalamatas, Greece

Courses: Microeconomics, Macroeconomics, Public Economics, Financial Analysis, Treasury Management

Research Interests:

- Financing of Small and Medium Enterprises (SMEs),
 - Banking and Finance – Financial Innovation
 - Innovative activity, R and D
 - Macroeconomic performance indicators
 - Factors affecting firms’ performance
-

Supervisor or member of scientific committee for PhD candidates.

- 2017:** (*member of the scientific committee, along with Georgopoulos A., and Stavroyiannis S.*). University of Patras, Dept. of Business Administration (dec. no. 11/8-2-2017 G.S.E.S.). Topic: Investigating the success factors of economic performance and business development on a European scale". Candidate P. Charalampakis. PhD dissertation has been accomplished (10/2022)
- 2020:** *Supervisor* – the other members of the scientific committee are Stavroyiannis S and Liargovas P.): University of the Peloponnese, Dept. of Accounting and Finance. Topic: " Entrepreneurship, European Policies and Development: The case of health and quality of life in the Greek countryside". Apostolopoulos Sotirios. (in progress).
- 2020:** *Supervisor* – the other members of the scientific committee are Babalos V., and Georgopoulos A.): University of the Peloponnese, Dept. of Accounting and Finance. Topic: "Energy Efficiency Study. Best International Practices and Weights of the World Economic Forum Function. The International Geopolitical Scene and the Role of Greece in the Energy Field". Dimitrakopoulos Panagiotis. (in progress)
- 2020:** *member* of the scientific committee, along with Giannopoulos V., and Georgopoulos A.): University of the Peloponnese, Dept. of Accounting and Finance. Topic: "Franchisor-Franchisee co-value creation for the end consumer through brand supportive behavior and moderated bottom-up innovation" Lazarou A. (in progress)
- 2021:** *Supervisor* – the other members of the scientific committee are Giannopoulos V., and Aggelopoulos E.): University of the Peloponnese, Dept. of Accounting and Finance. Topic: The effect of specific financial characteristics and financial crisis and COVID-19 pandemic on tax compliance of Greek companies. Vlachakou Maria (in progress)
-

Authorship/Editing in scientific textbooks:

- 2022:** Makris, I. (2022). An introduction to Corporate Treasury Management [Undergraduate textbook]. Kallipos, Open Academic Editions. <http://dx.doi.org/10.57713/kallipos-52> (author)
- 2022:** Microeconomics, 3rd edition, Goolsbee A., Levitt, S., and Syverson, Ch., (University of Chicago), Broken Hill publ. (translating and editing)
- 2021:** Microeconomics with the use of calculus, Serrano R., and Feldman A. M., publ. Pasxalidis (translating)
- 2021:** Macroeconomics, Private and Public choice, Gwartney, Stroup, Sobel, Macpherson, Papazisis publ. (editing of specific chapters).

Awards:

- 2010:** *Outstanding Performance Award*, of Business and Economics Society International (B&ESI)

Member of editorial Board/Reviewer in scientific journals:

Reviewer in journals of mdpi publications.

Scientific and Technical Committee & Editorial Review Board Member, in publications of World Academy of Science, Engineering and Technology (www.waset.org)

Reviewer in International Journal of Behavioral and Healthcare Research, Inderscience.

Reviewer in International Journal of Economics and Business Research, Interscience.

2016-2019: Reviewer of PhD Thesis, University of Newcastle, Australia.

Member of the Editorial Board of Global Business and Economics Anthology, B&ESI semi-annual refereed publications.

Scientific Committee/Conference's Chairman:

Business and Economics Society International (Chairman and Discussant in various sessions of B&ESI yearly conferences)

2nd International Conference on Applied Innovation, TEI Epirus (Scientific Committee)

International Conference of Development and Economy (ICODECON), University of the Peloponnese (Scientific Committee, Organising Committee, Chairman - 1st to 5th conference)

17th International Conference on Entrepreneurship, Innovation and Development (ICEID 2015), Session chairman

Memberships:

Business and Economics Society International

World Academy of Science, Engineering and Technology

Other:

1997-1999: State Scholarships Foundation, (IKY), Greece

Participation in Research Projects

2009-2014: Scientific Director of “Innovation and Entrepreneurship Office of TEI of Peloponnese”

2003-2008: “Spurring Entrepreneurship and Innovation in University of Patras”, University of Patras, Greece (financed by Greek Ministry of National Education and Religious Affairs, and European Union).

2001-2005: “Eurosignal - Large-scale simulation for European real-time stock signalling”, European Project, University of Patras, Imperial College of Science, Ghent University, Athens Stock Exchange, Econet (private company-financial services), (financed by the European Union).

2003-2004: “The Perspectives of Greek Defence Industry”, Athens University of Economics and Business (financed by Ministry of National Defence)

1999-2001: “Technology Transfer and Accumulation of Technological Capabilities” University of Patras, Department of Economics (Karatheodori scholarship program for PhD candidates)
